Sacred Path

following the four movements of Christ during the liturgy: **Taking, Blessing, Breaking, and Giving**. The Liturgy is considered the peak experience of our faith and the consecration and our “Amen” to this mystery is the peak reality of the Liturgy. Come and be renewed by a fresh understanding of what takes place during this celebration of our faith through a deeper awareness of our journey with Jesus into total and loving surrender. There will also be concrete connections to our role as catechists.
